Best practices 2015-16)

1. Prize Distribution Ceremony & Students' Welfare Committee

A. Prize Distribution Ceremony:

In memory of *Matoshree Smt. Sushiladevi Deshmukh*, for the last several years, our college organizes a *Prize Distribution Ceremony*.

The meritorious students, who stood First Rank and second, are honoured with a cash prize and a certificate at university level as well as college level. At the same time, a regular, disciplined, intelligent and good student is honoured with a *Sushilbhushan* award.

B. Students' Welfare Committee:

The maximum numbers of students in our college belong to rural area and poor economic background. To help such students, our principal and teachers founded Students' Welfare Committee.

So, it becomes possible from time to time to overcome their financial difficulties.

2. Adoption of Crematorium

We have a strong desire to do something innovative and creative colleague Mr. Satyanarayan Bhutada suggested to adopt Crematorium the neglected thing by the society. His innovative idea is liked by all. So to do something for the society we adopted this crematorium to remove and eradicate their feelings of fear, blind faith and generate scientific temper.

Our college has adopted the nearest *Crematorium* of Khadgaon road, Khadgaon. With due permission and insight of our Principal, the NSS unit of the college has contributed well by implementing this scheme. The Principal, the teaching, non-teaching staff and students actively participate in making this *Crematorium* clean and planting different types of trees under this scheme
