2020-21

B.A. programme in the college is recognized by our Parent University. Our students are allowed to choose from any of the three subjects from the cluster of

- 1) Marathi/Hindi/English
- 2) History/Sociology
- 3) Economics/Public Administration
- 4) Political Science/Geography.

Following is some outcomes

Cognitive skills: Students choosing combination of three subjects develop social, political, historic, economic and literary consciousness and will be better able to appreciate different civilizations, culture. In the three-year duration, they will cultivate the sensibility to find out the evolution of civilizations and cultures.

They develop sociological sensibility to critically understand the social phenomena that affects their lives. Students also learn two languages (Marathi/Hindi as a second language and English as a compulsory subject) along with three major subjects. At the end of the programme, they usually will have advanced reading, writing, speaking, interpretive and composition skills in both languages.

Employability: On graduating, the students will be eligible for employment in tourism, media, hospitality, education and services sector. Students also become employable in non-governmental organizations. They will also be able to appear for competitive examinations conducted for public sector jobs. The general humanities education equips them to clear competitive exams.

Values: Humanities education focuses on social and moral values which are needed for the society. After the completion of graduation, they will be able to appreciate the literary and cultural diversity. Especially the students of literature will be able to appreciate and enjoy the aesthetic pleasure. They will be able to think critically.
