लातूर : क्षेत्र कोणतेही असो, तुम्ही ज्या क्षेत्रात आहात तेथे झपाटलेल्या ध्येयाने सातत्याने कष्ट करा. प्रयत्न इतके करा की सुयश मिळेपर्यंत थांबू नका. आपोआपंच तुमच्या प्रामाणिक प्रयत्नामुळे तुम्ही उत्तुंग यश मिळवू शकाल. यश आणि मोठेपण हे अभ्यासामुळेच होते त्यामुळे अभ्यासाला पर्याय नाही, असा संदेश श्रीमती सुशीलादेवी देशमुख वरिष्ठ महाविद्यालयात संत गाडगेबाबा स्वच्छता उत्सवात माझी जबाबदारी या विषयावर युवकांशी संवाद करतांना ख्यातनाम डॉ. विठ्ठल लहाने यांनी दिला.

अभ्यास करणे ही अवघड गोष्ट नाही. जितके अवघड काम राना-वनात करावयाचे आहे. असे काबाड कष्ट करण्यापेक्षा

विद्यार्थी जीवनात समर्पित ध्येयाने पंख्याखाली बसून फक्त अभ्यास आणि अभ्यास करा. आपणास कांही येत नाही ही समजच चुकीचा आहे. एखादी गोष्ट पुन्हा-पुन्हा सातत्याने केल्याने ती अवगत होतेच होते. आई, वडिल, गुरुजनांचे ऐका. त्यांच्या रागातही तुमचे हित असते. तुमच्या कल्याणासाठी तुमच्यावर प्रेम आहे म्हणुन ते रागावतात. अभ्यास करतांना तो आनंदाने करा. नियमित

करा, सातत्य ठेवा. तुम्ही मोठे झालात तर घर मोठे होते, गावात तुमचे नाव होते, चारचौघात तुमचे मोठेपण उठून दिसते. या देशाचे एक आदर्श नागरीक होण्यासाठी अभ्यास करा. विद्यार्थी जीवनातला आनंद मिळवा. पण तो तुमचे ध्येय, यश मिळविण्यासाठी खुप खुप अभ्यास करा, सराव करा, असा मौलिक सल्लाही डॉ. लहाने यांनी दिला.

कार्यक्रमाचे अध्यक्ष प्राचार्य डॉ. अजय पाटील यांनी अध्यक्षीय समारोपाचे भाषण करतांना सामाजिक बांधीलकीची जाणीव युवकांमध्ये निर्माण व्हावी म्हणून स्वच्छता उत्सव समारंभाचे आयोजन केल्याचे सांगितले. कार्यक्रमाचे सुत्रसंचलन प्रा. सविता यादव तर आभार प्रदर्शन प्रा. संजय मोरे यांनी केले.

Your sincere efforts reward you definitely: Dr Lahane

Cleanliness festival organised in Latur college

LOKMAT NEWS NETWORK
LATUR, SEPT 7

Noted plastic surgeon Dr Vitthal Lahane appealed to students to work hard and consistently, not to give up until you succeed and definitely you can achieve great success if your efforts are genuine and sincere.

He was speaking as a guest of honor in Sant Gadgebaba cleanliness festival organised in Smt

Sushiladevi Deshmukh Senior College on Monday. Principal Dr Ajay Patil presided over the program.

Dr Lahane said that not study but actual work in your field is difficult. It becomes more difficult if you have not studied in your school/college days. Therefore, study hard with a dedicated goal in your student life instead of doing such hard work in your professional life. It is wrong to think that you don't get anything. Goals are achieved by trying consistently after you get what you deserve. Follow teach-

ing of your parents and teachers. There is a blessing of your parents in their anger. They are angry because they love you. Study does not refrain anybody from fun. When you achieve your goal, your house becomes big, your get popularity in the village. Study to become an ideal citizen of the country, Dr Lahane asserted.

The surgeon said that cleanliness is necessary for health and the thoughts of cleanliness arise from Sanskars. Cleanliness, Sanskar and culture should be inculcated. For

that everyone should have self-discipline. Indians, working and staying abroad, follow the rules of hygiene but when they return to their country, they think that if they throw anything anywhere, it will work. This is our country and therefore be the ideal citizen of this country.

Principal Dr Patil underlined the importance of the cleanliness to create a sense of social commitment among the youths. Savita Yadav conducted the proceedings and Sanjay More proposed vote of thanks.

The Context: Our institution is situated at the heart of the city. But the feeding source of the institution is belonging to economic, social and educational weaker sections. Our management has established the educational institute in order to reach the section. The vision of the society has been laid by the Late Vilasraoji Deshmukh, the founder of institution. He had been known as the visionary person having the touch of common masses. He used to think over the upliftment of the economically and educationally weaker sections.

In order to accomplish the vision of the institution, our institution has resolved to commit the institutional social responsibility through the academic, administrative and managerial activities.

Our institution has been made after the mother of Late Vilasraoji Deshmukh. The founding father would like to fulfill the will of him naming the institution and observing various types of the social activities on his mother's name. Therefore, our institution in each year since has been marking the birth anniversary of Smt. Sushiladevi Deshmukh by practicing the socially committed activities under the banner, 'Institutional Memorial Excellence Prizes' in different categories in order to seek the holistic development of the students.

Practice: On 25th July, Institutional Memorial Excellence Prizes have been given away to mark the birth anniversary of Smt. Sushiladevi Deshmukh. In each year our institution has published

the college prospectus covering the academic, administrative and managerial information as well as highlighted the institutional practices and the said practice is significant. At the beginning of the academic year our institution tries to bring the said scheme into the notice of the college stakeholders throughout various activities such as cultural activities comprising the newly admitted students welcoming programme where the head of the institution tries to introduce the institution entirely. The object of the institution is to seek inclusive participation of the students.

The nature of the memorial excellence prizes is in cash and kind (Memento). The memorial prizes have been encashed by the institution with the help of institutional employees covering teaching and non-teaching. In each year our institution generates the funds from the teaching and non-teaching community members as a mark of social commission and returns. Nobody has been forced to contribute. In each year the committee has enlisted the list of meritorious students in order to mark the different excellence of them. After preparing the committee would bring the meritorious list of the students in to the notice of benefactors. Accordingly, the agencies approach and contribute their memorial contribution. While giving away the prizes different sections of the communities duly invited to award the students. At the end of the ceremony ‘**SUSHILBHUSHAN**’ award has been given away to student who comply the meritorious base.

Evidence of success:

Institutional Initiative has been applauded by the local and global communities. Our Institution has maintained all types of evidences of the practice.
